Good morning,

We are already in full swing for planning the entertainment for the LA Fleet Week Welcome party.

Joe Pielago is coordinating the entertainment. He will be in on Wednesday and will be able to coordinate directly with you.

Best regards,

Happy Monday Lorena!

I wanted to connect you, very belatedly (my apologies) with Nicholas Nguyen at the Salvation Army. The SA's Youth Band may be able to play at LAFW's Wednesday Welcome Party.

Nicholas,

We can certainly arrange a special group ship tour for SA on Wednesday or Thursday, August 30-31. Please start looking at your team's best time to visit for this tour and let me know the size of the group that you think might take a tour.

Very Respectfully,

Hi Arley,

Following up on yesterday's initial planning conference, I would like to share more information regarding our involvement.

For the Youth Band's performance during the Downtown San Pedro Welcome Party on Wednesday Aug 30, can you please share available times for the performance along with anticipated on-stage window? Would

the performance be 30 minutes, 1 hour, etc? In addition to the performance, can we be included in the attendees Special Ship Tours?

For the Humanitarian Village, I will share the dimensions to Mike Shatynski regarding The Salvation Army's display. I will share to Jonathan Williams (already in correspondence regarding joining the Sponsorship Committee) once I have more confirmed attendance from other agencies. In addition to our presence within the Humanitarian Village, we are also interested in having a booth in the Main Expo Hall.

We also cannot confirmed regarding the Sunday Morning Service on September 3 at this time. Once we do have an update, we'll be sure to share.

For the COMMREL projects, we do not have a confirmed event yet at our Haven facility located at the West Los Angeles Veterans Affairs Healthcare Center. Once we do have an update, we'll be sure to share. We also have an interest with joining the Veterans Village and Alexis (who was also in-attendance yesterday) can follow-up with more information.

Please do let us know if there are any questions.

Best Regards,
Nick
